

# SAFETY GARMENTS

# WE'VE GOT YOU COVERED.

WHETHER YOU NEED TO BE DRY, WARM, CLEAN, FLEXIBLE, AFLOAT, VISIBLE, FIRE-PROTECTED, EFFICIENT, COVERED, COMPLIANT OR HYGIENIC, WE CAN HELP YOU TO SELECT THE MOST APPROPRIATE PROTECTIVE CLOTHING SO YOU CAN GET ON WITH THE JOB.

**If you need a custom garment or special order quantity, we can help you with that too.** The difference between appropriate protective clothing and inappropriate protective clothing can be as subtle as a miserable, cold & wet day at work, or as significant as avoiding a major workplace injury or death.

## TREEN MANUFACTURED CUSTOM GARMENTS

Our head office in Vancouver includes a manufacturing division that produces custom garments and gloves for specialized applications. We are ISO9001 certified and have CGSB certification for Fireline Protective Clothing.

We will work closely with you to design a quality garment that satisfies your safety requirements, is cost effective and meets your desired turnaround time. We accept unique order quantities and sizes from XXXXXS to XXXXXL!
